From

Revenue Commissioner in Mysore.

To

K.V. Anantaraman, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, B a n g a l o r e.

SIR,

I have the honour to forward herewith copies of letters Nos. O.C.1840/22-23 and 4533 dated 7/12th March 1924 and 26th March 1924 from the Deputy Commissioner, Tumkur District and the Registrar of Co-operative Societies in Mysore, Bangalore, respectively stating that the condition of weavers in the affected areas is a pitiable one, that they are badly in need of help and that it is necessary to take immediate action to afford immediate relief to them. It is stated that the weavers had ready made clothes, sadies, panches, etc., but that they could not find a ready sale for the articles owing to dullness of market; and that they are therefore seriously handicapped. The Deputy Commissioner proposes that money may be advanced to weavers by the Co-operative Societies on the security of the manufactured articles to the extent of 50 per cent of their value; that the articles would be held in deposit at the risk of the depositors who will arrange to find sales for themselves and that the Co-operative Societies also might easily find a sale for the goods held in security for the price put upon them by the manufacturers; and recommends that a sum of Rs.5,000/-

may

may be sanctioned as an advance to begin with to finance the scheme and placed at the disposal of the Registrar of the Co-operative Societies for distribution among the co-operative societies for the purpose.

The Registrar of Co-operative Societies fully concurs with the Deputy Commissioner in his views and states that he will take needful action regarding the extent of help that will have to be rendered to the weavers through each of the co-operative Societies in the affected area.

In the circumstances, I request that Government will be pleased to sanction the sum of Rs.5,000/- as an advance and -- place it at the disposal of the Co-operative Societies for affording immediate relief to distressed weavers.

I have the honour to be,

Sir,

Your most obedient servant,

Assistant Commissioner
for Revenue Commissioner.
(absent from station)

Copy of letter No. D.C.1840/22-23 dated the 7th March 1924 (12) from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner in Mysore, Bangalore.

In connection with the proposal to help the weavers I wish to bring to your notice that in several villages such as Somalapur in the Gubbi Taluk and Koratagere Sub Taluk I found weavers who represented that they were badly in need of help in the shape of loans that they had ready made clothes, sadies, panches, etc., but owing to the dulness of the market they did not find a ready sale and were thus seriously handicapped. It was suggested to them that as they had no lands on which loans could be granted to them, the only possible way was for them to take loans from Co-operative Societies, on the security of the manufactured articles which would have to be deposited with Co-operative Societies, and if this was agreeable to them about 50% of the value might be advanced to them. They readily fell in with this proposal.

2. It is necessary to take immediate action to afford immediate relief to the weavers on these lines.

3. There would be no difficulty to work the scheme as the Societies might easily find a sale for the articles at the price put on it by the manufacturers within a reasonable margin according to the prevailing market rate. It may be noted that in this the Government would incur no very serious responsibility as the articles are held in deposit at the risk of the depositors who will arrange to find sales for themselves. It is true a certain amount of money may have to remain locked up for some time but the loss of interest is nothing as compared to the relief of the weavers are immediately in need of.

4. I may add here that as a rule weavers are not in favour of a supply of yarn through a Government Agency and they prefer to purchase their own yarn. It seems advisable to leave them to have their own choice in the matter.

5. I have discussed the matter with the Registrar of Co-operative Societies at Sira when I met him on the 28th ultimo and

he

he is agreable to the proposal.

6. I request that Government may be kindly moved to sanction a sum of Rs.5,000/- (as an advance) to begin with to finance the scheme to be placed at the disposal of the Registrar for distribution among the co-operative societies for the purpose.

7. The Registrar of Co-operative Societies may be requested to issue necessary instructions to the Co-operative Societies in the matter.

Immediate.

For Revenue Commissioner.

Copy of letter No.4538 cs. dated 26th March 1924 from the Registrar of Co-operative Societies in Mysore, Bangalore, to the Revenue Commissioner in Mysore, Bangalore.

Referring to your No. D.4/23-24 dated 14th March 1924 in the matter of affording help to the weavers in certain affected areas in the Gubbi and Koratagere (Sub) taluks on the lines indicated by the Deputy Commissioner, Tumkur District, in his letter No. D.C.1840/22-23 dated 7/12th March 1924, I have the honour to state that in the course of my recent tours in some of the affected tracts of the Tumkur District, I find that the condition of the weavers in those areas is really a pitiable one and I fully concur with the Deputy Commissioner in his views that measures of help to them, particularly on the lines indicated by the Deputy Commissioner, are urgently called for. I, therefore, beg to recommend that an allotment of Rs.5,000/- may be kindly sanctioned and placed at my disposal, immediately, as proposed by the Deputy Commissioner, so that, I may make arrangements for advancing the amounts to the weavers through the Co-operative Societies to the extent of 50 per cent of their finished goods which they will be required to give as security for the advance taken by them. On hearing from you in reply, I shall take needful action regarding the extent of help that may have to be rendered to the weavers through each of the Co-operative Societies in the Distress area.

The memo under reference is herewith returned.
